In preparation

Cariani, F., P. Santorio, and A. **Wellwood**. "Comparative confidence." The semantics of confidence reports ('positive' and comparative), with extensions to epistemic adjectives like *likely*.

Wellwood, A., D. Odic, et al. "*(the) most* at the interface." How vision is recruited during the understanding of (determiner) *most* versus (modifier) *the most*.

He, A.X., A. **Wellwood**, J. Lidz, and A. Williams. "Representing entities as event participants in infancy." The psychological status of a "third man" in different types of scenes.

Wellwood, A. "Categorical comparisons in English." A new approach to the syntax-semantics of 'metalinguistic' comparatives.

Wellwood, A., and P. Pietroski. "The human lexicon." Discusses the role of lexicalization in explaining human cognitive uniqueness.

Presentations

Invited workshop talks

Wellwood, A. TBA. The New York Philosophy of Language Workshop, at NYU. Upcoming: May 2018.

Wellwood, A. TBA. Workshop on the Semantics/Metaphysics of Aspect, at Franklin and Marshall College. Upcoming: April 2018.

Cariani, F., P. Santorio, & A. **Wellwood**. "Confidence reports." Philosophical Linguistics and Linguistical Philosophy (PhLiP), in Tarrytown, NY. Upcoming: October: 2017.

Wellwood, A. "Comparatives and number." Philosophy and linguistics in Dubrovnik, hosted by Ohio State University, University of Maribor, and University of Rijeka, at the Inter University Center in Dubrovnik, Croatia. September 2017.

Cariani, F., P. Santorio, and A. **Wellwood**. "Comparative confidence." Workshop on states, Northwestern University. May 2017.

Wellwood, A. "Being something worth counting." *Psycholinguistic investigations into number and quantification in natural language*, Center for Experimental Research on Natural Language, University of Wrocław, Poland. September 2016.

Wellwood, A. "A matter of degrees: Composing cross-categorial comparatives." *Much ado about* much*: The semantics and pragmatics of quantity expressions*, Universität Konstanz, Germany. October 2012.
